Special Olympics Leads to the Megawatt Community Service Award

Congratulations to Aaron and Sara Hubin, our latest Megawatt Community Service Award winners. They have volunteered for the Spooner Special Olympics for nearly ten years. Aaron trains the athletes in shot put and running long jump. Sara helps with training and timing of the runs, as well as warm-ups before practices. They also help with the regional and state tournaments. Sara remarked, "Aaron and I have had such a great time getting to know the athletes. They cheer one another on, congratulate each other, never exclude anyone and all are very caring. It has been a joy and privilege watching these athletes do sporting events that they love."

Win a \$50 Electric Bill Credit

The Megawatt Community Service Award supports Barron Electric Cooperative's mission to improve the quality of life in the areas we serve and promotes our 7th Cooperative Principle, "Concern for Community." Each winner will receive a \$50 electric bill credit. Nominate a member for the Megawatt Community Service Award. Application forms are available at barronelectric.com in the community area or by contacting the Member Services Department at 800-322-1008.
