Barron Electric Cooperative's Annual Meeting Postponed

Barron Electric Cooperative's 84th Annual Meeting has been postponed due to the threat of the coronavirus. Our top priority is the safety and health of our members and employees. We will keep members informed via our newsletter, website and social media once a new date is available.

Members should also be on the lookout for suspicious e-mails, phone calls, or persons impersonating business employees or charitable organizations. Unfortunately, scammers take advantage of opportunities such as this when households are otherwise preoccupied. If you receive a call from someone claiming to represent Barron Electric and they make threats or demand immediate payment, hang up and call Barron Electric at 800-322-1008.
