## **Donation Helps Bring Safer Equipment to Canton Park**

Barron Electric Cooperative recently donated \$1,000 to the Canton Park Fund. They will be purchasing newer, safer playground equipment and improving the parking area for easy access for the handicap. Many families enjoy this beautiful park. In the future, they hope to have running water and a bathroom. Bobbi Demers, Canton Park Committee member, remarked, "We appreciate Barron Electric's support of our project. We have big dreams to improve the park for the future of our children."

Funds for Barron Electric donations are derived from the Federated Youth Foundation, an administrative trust overseeing unclaimed capital credits of former members.
