## **Donation Helps Build Basketball Court**

Barron Electric Cooperative recently donated \$1,000 to Giving Grace, Inc. The Schradle and Magnuson families plan to build a basketball court at the Clayton Park to memorialize their children who they lost in a tragic car accident. They hope this will create a legacy for their children, while establishing a place for the kids of the community to hang out with friends and family to work on their athletics and be close to home. Jennifer Beaudette, Barron Electric's Director of Member Services, commented, "We are pleased that we could be part of this project, which will help to serve as a memorial for many years to come."

Funds for Barron Electric donations are derived from the Federated Youth Foundation, an administrative trust overseeing unclaimed capital credits of former members.
