KNOW ALL BY THESE PRESENTS that the Undersigned [Print Landowner's Names(s)]

("<u>Grantor</u>" whether individually or collectively) for good and valuable consideration, receipt of which is hereby acknowledged, (do) (does) hereby grant unto BARRON ELECTRIC COOPERATIVE, a Wisconsin cooperative ("<u>Grantee</u>"), its successor and assigns, the right to enter upon the lands of the undersigned, situated in ______County, Wisconsin, and more particularly described as follows:

Easement Width. Except as otherwise stated, the Right-of-Way shall be 10 feet wide for lines placed underground and 40 feet wide for lines located above ground.

Ownership of Property. All facilities erected or installed shall remain the property of the Grantee. This shall include, but not be limited to, poles, wires, manholes, conduits, cables, connection boxes, transformers, transformer enclosures, ducts, ground connections, attachments, equipment, accessories and appurtenances necessary and appropriate for the transmission of energy either above or below the ground. Grantee shall have the right to remove all such property, at its option, upon termination of service.

Full Legal Description

Here

Inspection, Removals, Alterations. Grantee has the right to inspect, rebuild, remove, repair, improve and make changes, alterations, substitutions and additions in and to its facilities as it may from time to time deem advisable, including the right to increase or decrease the number of conduits, wires, cables, and appurtenances, and to change from an overhead to an underground system or vice-versa.

Tree Trimming and Brush Removal. The Grantee shall at all times have the right to cut, trim and control the growth by chemical means, mechanical means or otherwise, of trees and shrubbery located within said right of way or that may interfere with or threaten to endanger the operation and maintenance of said line(s) or system(s), including any control of the growth of other vegetation within the right-of-way, which may incidentally and necessarily result from the means of control employed. All trees and limbs cut shall remain the property of the Grantor.

Grantor's Use of Easement. Grantor, his/her successors and assigns, may use the Right-of-Way strip for any purpose not inconsistent with the rights hereby granted provided such use does not interfere with or endanger the construction, operation or maintenance of Grantee's facilities. Grantor agrees to keep said easement clear of buildings, structures, flammable material, trees or other obstructions. Grantor further covenants and agrees that the elevation of the existing ground surface within the Right-of-Way strip will not be altered by more than one (1) foot without the written consent of Grantee, and that no fences, gates, signs, posters, or other attachments shall be placed on or attached to Grantee's supporting structures.

Access Rights. Grantee shall have the right of ingress to and from said Right-of-Way strip along a route which will cause the least possible interference with existing land uses, together with the right and privilege of using those portions of the Property abutting on same as may be necessary for the purpose of placing thereon materials excavated from said Right-of-Way strip and for the purpose of bringing upon said line of construction such machinery, conduit, conductor and other equipment as may be necessary for construction, repair, maintenance and replacement of Grantee's facilities.

Joint Use. Grantee shall have the right to license, permit or otherwise agree to apportion the rights granted herein to third parties, including the joint use or occupancy of the line(s), system(s) or, if any of the said system is placed underground, of the trench and related underground facilities, by any other person, association or corporation.

Binding Agreement. This agreement is binding upon the parties hereto, their heirs, personal representatives, successors and assigns.

Grantor's Warranty. Grantor covenants and warrants that Grantor is lawfully seized and possessed of all the property described above and has good right and lawful authority to convey this easement for the purpose herein expressed, and there are no mortgages, liens or encumbrances except as noted and attached hereto.

Barron Electric Cooperative, or a contractor working for the Cooperative, may be excavating or installing poles and/or anchors on your property in order to install your electric service line. To avoid damage to any private facilities (i.e., underground tanks, lighting, sewer, well, sprinkler, water, etc.) by Barron Electric, you are responsible for clearly and accurately identifying all private underground facilities with paint, stakes, or physically exposing such facilities. A BEC representative must be informed of all private underground facilities and proposed construction sites at the time of application.

Range

I, the undersigned, agree to hold harmless Barron Electric Cooperative (and/or its contractor) for any damage to any private underground facilities as a result of a lack of identification or improper identification. The cost of any repairs to damaged private underground facilities and any additional expenses due to known or unknown private facilities will be my responsibility. I also acknowledge that ground disturbance is likely to occur as a result of the requested excavation. Crews representing the Cooperative will make an effort to perform ground restoration with materials available on site; however, I agree it is my responsibility to complete further restoration if so desired.

I, the undersigned, agree to hold harmless Barron Electric Cooperative (and/or its contractor) for any damages incurred to above-named propertyas a result of cutting and/or trimming trees.

I certify that I own, or am the authorized representative of the owner of the property, of the address(es) listed above, and that I have read and understood the above statements.

Sec.

Please choose your meter location carefully. There will be a charge for relocating your meter and/or service. All service fees are due and payable prior to installation.
