KNOW ALL BY THESE PRESENTS that the Undersigned [(Print Landowner's Name(s))

("Grantor") whether individually or collectively, for good and valuable consideration,
receipt of which is hereby acknowledged, (do) (does) hereby grant unto BARRON
ELECTRIC COOPERATIVE, a Wisconsin cooperative ("Grantee"), its successor
and assigns, the right to enter upon the lands of the undersigned, situated in

County, Wisconsin, and more particularly described as follows:

Full Legal
Description Here

By & Return to:

PO Box 40 • Barron, WI

(the "Property") to construct, operate, repair, maintain, relocate and replace thereon, and
under the surface thereof, and upon or under all streets, roads, or highways, on or abutting
said lands, a line for the transmission and distribution of electric energy, and voice and data
communication line system(s) or any combination thereof, including without limitation all
appropriate cable, wire, transformers, manholes, concrete pads, poles, crossarms, duct, conduit
ground connections, attachments, equipment, accessories and supporting devices (which if
necessary, may be located outside of the Right-of-Way strip) necessary and appropriate for the
transmission and distribution of energy, either above or beneath the ground as Grantee deems
necessary for the purposes of exercising the rights herein granted.

Parcel Identification Number (PIN)
(Computer Number)

MUST COMPLETE

Easement Width: Except as otherwise stated, the Right-of-Way shall be 10 feet wide for lines placed underground and 40 feet wide for lines located above
ground.

Ownership of Property: All facilities erected or installed shall remain the property of the Grantee. This shall include, but not be limited to, poles, wires,
manholes, conduits, cables, connection boxes, transformers, transformer enclosures, ducts, ground connections, attachments, equipment, accessories and
appurtenances necessary and appropriate for the transmission of energy either above or below the ground. Grantee shall have the right to remove all
such property, at its option, upon termination of service.

Inspection, Removals, Alterations: Grantee has the right to inspect, rebuild, remove, repair, improve and make changes, alterations, substitutions and
additions in and to its facilities as it may from time to time deem advisable, including the right to increase or decrease the number of conduits, wires,
cables, and appurtenances, and to change from an overhead to an underground system or vice-versa.

Tree Trimming and Brush Removal: The Grantee shall at all times have the right to cut, trim and control the growth by chemical means, mechanical
means or otherwise, of trees and shrubbery located within said Right-of-Way or that may interfere with or threaten to endanger the operation and
maintenance of said line(s) or system(s), including any control of the growth of other vegetation within the right-of-way, which may incidentally and
necessarily result from the means of control employed. All trees and limbs cut shall remain the property of the Grantor.

Grantor's Use of Easement: Grantor, successors and assigns, may use the Right-of-Way strip for any purpose not inconsistent with the rights hereby
granted provided such use does not interfere with or endanger the construction, operations or maintenance of Grantee's facilities. Grantor agrees to keep
said easement clear of buildings, structures, flammable material, trees or other obstructions. Grantor further covenants and agrees that the elevation of
the existing ground surface within the Right-of-Way strip will not be altered by more than one (1) foot without the written consent of Grantee, and that
no fences, gates, signs, posters, or other attachments shall be placed on or attached to Grantee's supporting structures.

Access Rights: Grantee shall have the right of ingress to and from said Right-of-Way strip along a route which will cause the least possible interference
with existing land uses, together with the right and privilege of using those portions of the Property abutting on same as may be necessary for the
purpose of placing thereon materials excavated from said Right-of-Way strip and for the purpose of bringing upon said line of construction such
machinery, conduit, conductor and other equipment as may be necessary for construction, repair, maintenance and replacement of Grantee's facilities.

Joint Use: Grantee shall have the right to license, permit or otherwise agree to apportion the rights granted herein to third parties, including the joint use or
occupancy of the line(s), system(s) or, if any of the said system is placed underground, of the trench and related underground facilities, by any other
person, association or corporation.

Binding Agreement: This agreement is binding upon the parties hereto, their heirs, personal representatives, successors and assigns.

Grantors Warranty: Grantor covenants and warrants that Grantor is lawfully seized and possessed of all the property described above and has good right
and lawful authority to convey this easement for the purpose herein expressed, and there are no mortgages, liens or encumbrances except as noted and
attached hereto.

I, the undersigned, agree to hold harmless Barron Electric Cooperative (and/or its contractor) for any damage to any private underground facilities as a result of a lack of identification or improper identification. The cost of any repairs to damaged private underground facilities and any additional expenses due to known or unknown private facilities will be my responsibility. I also acknowledge that ground disturbance is likely to occur as a result of the requested excavation. Crews representing the Cooperative will make an effort to perform ground restoration with materials available on site; however, I agree it is my responsibility to complete further restoration if so desired.

I certify that I own, or am the authorized representative of the owner of the property, of the address(es) listed above, and that I have read and understood the above statements.
